

Maths

Shapes! What shapes can you see in buildings, can anyone find a circle on a building?
Can you make your own house picture using shapes. Can you name the shapes?

Literacy

Can you make a list of some of the things you will find in your house.
For example, bed, cat, pot, hob.
You could draw a picture to go with the words you have written.

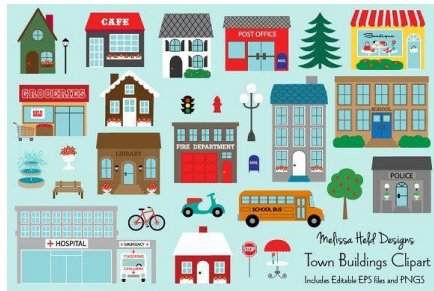

Out and About

Go for a walk – have a look at the buildings, are they all the same? Or are they different?
What materials do you think they are made from?
Can you find a tall building?
What's the smallest building you can find?

Understanding the World

Can you think of different uses for buildings – what are buildings used for? You could visit the library or have a look online.

Autumn Term 2

Buildings

Reception Home Learning

Expressive Arts and Design

Can you use some old boxes, cartons, tubes or other junk modelling resources to create your own building.

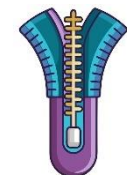

Respect

Who can help their parents with some jobs at home. Maybe you can stack the dishwasher, put the washing in the machine, put your plate on the side after eating.

Responsibility and Resilience

Can you practice doing the zip up on your coat independently.

Please post photos of any of the activities you complete from this sheet at home on Tapestry. We love to see what you have been learning at home and enjoy sharing these photos with the class.
