Tell Your Own "Beating the Baddie" Story Using toys or props, act out a simple "beating the baddie" story where the hero overcomes a challenge. They could film it with help from family, or draw a story sequence with a beginning, middle, and end.	Animal Observation Diary Take a short walk in your garden or a park and look for different animals. Draw or write about the animals you see and note their features. Discuss if they have fur, feathers, scales, or how many legs they have. This can be done across a week to see if they spot the same animals.	Family Photo Album Exploration. Look through family photos with an adult to see how family members, clothing, and even homes have changed. Choose one photo and describe what looks different from today.
Maths Find 10 small objects around the house (like coins or buttons). Practise adding or subtracting these objects in pairs. For example, "I have 6 buttons. If I add 2 more, how many will I have?" and try subtraction too.	**Autumn 1.2** **Year 1** **Home Learning.**	**Family Tree Activity** Create a simple family tree at home with pictures or drawings, identifying family members and noting some similarities and differences (eye colour, hair colour). This helps children connect the concept of human characteristics and understand similarities within families.
Respect: Kindness Chart Make a "Kindness Chart" at home. Draw	**Responsibility: Daily Helper** Choose one small task to be in charge of at	**Resilience: Build a Tower Challenge** Using blocks, cards, or anything

pictures or write about three kind acts you did over the week. This could be helping, sharing, or using polite words. Discuss how showing respect and kindness can make others feel good.	home for the week, like watering plants or helping set the table. Practise this every day and see how it feels to take responsibility for something important.	stackable, try to build the tallest tower you can. If it falls, try again and see if you can make it taller. This activity encourages patience and resilience through repeated attempts.
